Welcome to the Vasari Surfaces & Zenith Surfaces Pairings Guide

Craft a cohesive, architectural story by pairing **Vasari Porcelain** with **Zenith Surfaces**—bringing together two premium collections that balance texture, veining, and finish with performance. The Vasari Porcelain Collection offers 32 stunning patterns and hues, while Zenith's vitrified compact surfaces provide enduring strength and timeless elegance.

When paired, the result is a design synergy that matches tones and styles across both collections, creating spaces that feel

cohesive, elevated, and uniquely yours.
